

## IN THE ABSTRACT

Please substitute the Abstract page enclosed herewith for the Abstract of record.

## IN THE CLAIMS

Please cancel claims 1-17 and substitute therefor the following new

claims:

*Sub  
1-17*

--18. A beverage container holder, comprising  
a rectangular basket defining a rectangular opening; and  
a plurality of resilient fingers coupled to said rectangular basket and extending inwardly toward said rectangular opening, said resilient fingers having a V-shaped profile when viewed in a vertical plane with the point of the V extending generally towards the center of the opening, said fingers cooperating to resiliently and releasably grasp both round and square beverage containers; and

*Q2*

a generally U-shaped hook attached to and extending above said basket.--

--19. A beverage container holder according to Claim 18, wherein said rectangular basket, said fingers, and said hook member are formed as a single unitary member.--

--20. A beverage container holder according to Claim 19, wherein said single unitary member is plastic.--

Sub 27

--21. A beverage container holder, comprising

a rectangular tray defining a rectangular opening; and

a plurality of resilient fingers coupled to said rectangular tray and extending inwardly toward said rectangular opening, said resilient fingers having a V-shaped profile when viewed in a vertical plane with the point of the V extending generally towards the center of the opening, said fingers cooperating to resiliently and releasably grasp both round and square beverage containers; and

a supporting member rotatably coupled to said rectangular

~~tray and being pivotable into a position located below said rectangular opening.--~~

--22. A beverage container holder according to Claim 21, further

comprising:

spring means for biasing said supporting member to said position located below said rectangular opening.

--23. A beverage container holder according to Claim 21, wherein

said rectangular tray defines two rectangular openings and said plurality of resilient fingers extend inwardly toward one of said rectangular openings.--

#### REMARKS

Reconsideration and withdrawal of the rejection with respect to all of the claims now in the application (i.e., Claims 18-23) is respectfully requested in view of the foregoing amendments and the following remarks.
